

2019

Scholarship Open Season

The Coast Guard Foundation scholarship program is soliciting applications for the 2019 academic school year from February 1-March 15, 2019. Major considerations for the selection of awardees include scholastic promise, motivation, moral character, leadership qualities, and good citizenship. In 2019, applicant financial need will also be considered a factor in award distribution. The Coast Guard Foundation scholarship program is generously funded by individuals, foundations and corporations from around the country. These scholarships range from 1,000 to 5,000 dollars per year.

To be eligible for a Coast Guard Foundation Scholarship, students must be dependent children of active duty, retired or deceased Coast Guard enlisted personnel, or dependent children of enlisted personnel in the Coast Guard reserve currently on active duty for 180 days or more. This scholarship program supports students enrolled in undergraduate degree programs. Students currently attending college are eligible to apply, as long as they have dependent status with their sponsor and are under the age of 23 when applying.
