

Over the course of their  
2 day training,  ASIST  
participants will learn to:

Notice and respond to situations  
where suicide thoughts might be present

Identify an at-risk person  
and make a plan to help

Move beyond the common  
tendency to miss, dismiss,  
and avoid suicide

Apply a suicide  
intervention model

Know community resources  
and how to connect someone  
with thoughts of suicide to  
them for further help

Participants will receive a  
Certificate of completion
