

# Chief Petty Officer Academy

## Additional Information for US Air Force Students

Congratulations on your selection to represent your service at the  
*Coast Guard's Chief Petty Officer Academy!*

The following information will help prepare you for this unique joint PME experience.

### **Uniforms:**

- The uniform of the day Mon – Wed is short sleeve blues with no tie/tab. All hardware is required. Thurs – Fri the uniform is either ABU's or OCP's
- Air Force PT gear is required
- Mess Dress or Semi-Formal for Graduation. This also applies to your AF guests that attend grad as well.
- You will have a workout in the pool so bring swim shorts or a one piece swimsuit for females.
- You will have three blocks of instruction on our ropes course and closed toed shoes are required.

### **Lodging:**

- Your rooms are booked for you so don't worry about lodging in DTS. Call me if you plan to come in before the Sunday prior to your class so I can add additional days to your reservation. This usually only applies to students coming from overseas locations.
- You will have a roommate so be prepared to bunk up.

## **Physical Fitness**

- We PT at least twice a week. PT workouts include TRX, spin, circuit training, pool training and running.
- Students must **not** be on a profile that limits them from PT activities.

## **Rental Car**

- Students are authorized a rental car but it's at the Units expense.

The Chief Petty Officer Academy is focused on team work and building relationships that will last long after you graduate. There is no competition between students for grades or awards. This academy will challenge you every day and it's vital that you lock arms with your fellow leaders to make it to graduation.

All students will receive a Welcome Aboard email with all the necessary prerequisites prior to class.
