Who is Eligible?

Thinking about earning a license or certification? Great news! There are many credentials that you can earn by using online study resources and taking an online exam while at home. Obtaining credentials shows that you meet the professional and technical standards that many of today's jobs require. You can access CG COOL and MyCG ED without a CAC. If you are active duty enlisted or enlisted SELRES who meet current participation standards, you are eligible. Let's get started!
